GENRE Dramedy

WRITTEN BY

Lorenzo Parro

BASED ON TRUE EVENTS

THE SCREEN IS BLACK

The sound of a woman moaning can be heard.

WOMAN
(moaning)
Umm, I'm coming. I'm coming aaaaaa.

INT. TOY STORE - DEMO AREA - DAY

We FADE IN through the point of view of an iPhone camera. We can make out the silhouette of a naked woman with her legs open, but before the image becomes clear, a jet shoots out and hits the lens, covering it in water droplets.

The image slowly clears, and we see CHRIS, soaked from head to toe, holding the dripping wet phone.

CHRIS
(startled)
I did not see that coming!

Chris looks around, embarrassed, as his co-workers and potential buyers stare at him in shock and amusement.

CUSTOMER 1
(laughing)
I've heard of a wet demonstration, but
this takes it to a whole new level!

Chris tries to dry the phone with a nearby towel, but it continues to malfunction, making strange noises.

CUSTOMER 2
(teasingly)
Well, at least we know it's a high-
pressure model!

They all burst into laughter. Chris, now fully aware of the awkwardness, tries to regain his composure.

CHRIS
(grinning)
Our toys are so good, they're guaranteed
to make a splash!

The customers applaud, thoroughly entertained by Chris's self-deprecating humor and quick wit.

More laughter ensues. Chris embraces the absurdity of the situation and takes a bow.

CHRIS
(mockingly)
Thank you. I'll be here all week,
performing incredible feats of toy
demonstration!

LISA, his boss, approaches, exuding sexiness and confidence.

LISA
(whispering seductively)
Let me help you with that.

She takes the towel from Chris and slowly, sensually wipes the water off the phone. As she leans in, she subtly licks Chris's cheek, leaving him slightly stunned.

LISA
(smirking)
You're a keeper, Chris. Always finding
new ways to keep 'em coming.

Chris, bewildered but secretly enjoying the attention, tries to regain his composure.

CHRIS
(stammering)
Thank you, boss. Always happy to bring
some excitement to the store.

Lisa playfully pats Chris on the shoulder before gracefully stepping back, her eyes sparkling with mischief. They share a knowing look before Lisa turns and walks away, leaving Chris in a state of confusion and anticipation.

The customers and co-workers, captivated by the unexpected display, exchange amused glances.

CUSTOMER 1
(teasingly)
I didn't know this store offered such
interactive demos!

CUSTOMER 2
(laughing)
Well, sign me up for the next
demonstration. I might need a splash of
excitement in my life too!

Chris, blushing, grins sheepishly as he continues to interact with the amused customers.
